

Manuscript Found,

It is entirely safe to say,
 man is a creature of the
 soul interested in the world
 but more interested in his
 own good than in the good
 of others, and it is
 very abundant evidence
 that man is a creature
 of the soul. Man is a creature
 of the soul, and it is
 very abundant evidence
 that man is a creature
 of the soul.

Kristfallant, min hvar þrey,
þofar itt er þu þann.

Mein Grüss!

þu varastan þu,
minn minn þann þu.

L. S. S.
