

**O**fferuntur hoc indice literarum artiumque cultori opera, quae Bibliotheca principalis Lichtensteiniana bis vel pluries possidet, quibus adhuc aliarum collectionum consimilis conditionis volumina adjecta sunt. Separationem hanc factam, partim ut novis accessionibus pararetur locus, partim ut fini suo, frequentiori usui scilicet et delectationi restituerentur libri, probari omnino non dubitamus, cum magnam partem sint aut utilissimi aut pretiosi et rariores, quibus non unus tantum collectionis privatae imo et publicae defectus repleri possent.

Venditionis initium erit die XXVI. Martii 1816 et sequentibus hora nona matutina usque ad primam pomeridianam ordine paginarum et numerorum indicis strictim servato. Libri post addictionem non traduntur, nisi parata pecunia.

Widely used in the field among  
Buddists in Thailand. The main reason  
for this popularity is its simplicity and  
affordance of various needs with less addi-  
tional costs. Thus, the following reasons may  
be given to justify such a choice:
