6. Lied im vor Landstift Et. A.D.C.

Gott zum ewig güt'kem gern gern

Dein heilige Hofam me pfrauge hundt gern

Ewigst mit deinen gern gern gern gern gern

Amen alle wir

7. V. Gott auf dir segne ich Hilt gott gern

Wert der gern gern gern gern gern

Amich gern gern gern gern gern gern gern gern gern

Gern gern gern gern gern gern gern gern gern gern

The first 100' of the old instrument.

11. mid 1st story well up west in Glen
for 20' has soil, 10' stone, 10' sand
water & 3' pebbles. No rock.
Water about 10' above sea level
limestone, very little sand & silt in sand

comes from ~~W. W. H.~~

~~Lev. 100' from sea level~~

bottom.

Water at 100' is the same
as it was off woods
but from sea level

III

11. 100' down on limestone
sand & pebbles
about, sand &
water comes from the limestone
bottom with a thin layer of
sand & limestone
in the water

11. 100' down
on limestone

Albion
N.Y.

~~Dear son~~ I am writing to you to tell you about

the fact by our letter of 1st & 2nd and you will have seen it with your part and the rest, we have now sold

our house which we have now sold

and we are now living in a small house in Albion

and we are now living in a small house in Albion

and we are now living in a small house in Albion

and we are now living in a small house in Albion

Dear son

you know, I am writing to you

to tell you about my new house in Albion, N.Y.

that we are building. It is now almost finished.

I am writing to you and you will see that

we are building a new house in Albion, N.Y.

that we are building a new house in Albion, N.Y.

and we are building a new house in Albion, N.Y.

and we are building a new house in Albion, N.Y.

and we are building a new house in Albion, N.Y.

V.
