Signs and Symbols

–	(dash) means zero (nought), or that an entry is excluded by its very nature.
0 :	more than zero but cannot be expressed in the selected measuring unit.
.	(full stop): no data available.
Ø :	average.
-> :	greater than or equal to.
§ :	adjusted figure.

Among them (darunter):	partial breakdown of a sum.
Of which (davon):	complete breakdown of a sum.

With respect to data grouped by districts, the figures refer to the amendment of the District Demarcation Act of 1955 (Vienna Provincial Gazette No. 21/1955).
