## Signs and Symbols

Revised figures are not marked as such.

- (dash) means zero (nought), or that an entry is excluded by its very nature.
- 0 more than zero but cannot be expressed in the selected measuring unit.
- . (full stop): no data available.
- Ø average.
- ≥ greater than or equal to.

Among them (*darunter*): partial breakdown of a sum.

Of which (*davon*): complete breakdown of a sum.

With respect to data grouped by districts, the figures refer to the amendment of the District Demarcation Act of 1955 (Vienna Provincial Gazette No. 21/1955).
