Bureau of Statistics of the City of Vienna: Publications

The Vienna Elections of 13 October 1996

84 pages plus tables / € 5.81

13 October 1996 saw Austria's first elections to the European Parliament as well as local elections in Vienna (i.e. elections to the City Council and District Councils). The booklet includes information on electoral law in Austria, the political parties in the 1996 elections, detailed statistics on voters' behaviour and an annex with the election results by district.

The Vienna City Council and District Council Elections of 25 March 2001

86 pages plus tables / € 5.81

This special issue of the Statistics Newsletter provides a thorough analysis of the elections to the Vienna City Council and District Councils held on 25 March 2001, including comparisons to the previous elections on 13 October 1996 and detailed election results for Vienna's individual constituencies and municipal districts. It also contains an overview of all City Council elections held in Vienna since World War II. The issue is supplemented by two annexes: a complete table of the election results in each single district in the last three elections, and a list of the candidates who received the most preferential votes in 2001, plus the names of all candidates elected and all replacement candidates.

All publications are available from the Bureau of Statistics of the City of Vienna (Statistisches Amt der Stadt Wien), Volksgartenstraße 3, 1010 Vienna. Office hours: 9 a.m. to 3 p.m., Phone.: (0043 1) 40 00 - 88 629.
