To Fraulein Mina Hoefel

Dear Madame,

I wish to thank the President
and members of your society
for the honour they wish to confer
on me, by asking me to join
them, which unfortunately
I am unable to do, having
always refused to belong to
any society where women
exhibit their wares apart.
In these days when

THE GROVE END ROAD
ST JOHN'S WOOD
MIDDLESEX

women have just as great
facility in coming before
the public as men, I do not
quite see the object of it —
and were I to join your
society I might give offence
to those over here, who have
wished me to work with them
and exhibit with them, and
whom I have always refused.
Again expressing the
pleasure which your wishing
me to join you, has given
me

I remain, Dear Madam

Yours sincerely
Laura. Anne Adams
