the day before I came  
to see my wife. And  
I told her you would be  
of no use, and made up  
my mind to go myself. So  
I came to see the husband  
and son of a widow who  
was going to pay me  
a visit. And when I got  
there, I saw Mrs. & Mr.  
John Wilson had come to  
see him.
