BOARD OF LADY MANAGERS,

World's Columbian Commission.

RAND-MCNALLY BUILDING.

Chicago, Ill. U.S.A.

Dear Madam:-

We would respectfully call your attention to the enclosed circular explaining the object of the Board of Lady Managers of the World's Columbian Exposition, in collecting statistics from every country in regard to woman's work.

You would confer a great favor upon us by answering the questions contained in this circular, with regard to your society, and also by sending copies of your constitution, yearly report, and any other printed matter you may have. Information regarding other women's organizations will be thankfully received.

Trusting that the satisfaction of having your society recorded in our book will compensate you for the trouble incurred, and that we may depend upon your friendly interest in this matter,

I have the honor to be,

Very truly yours,

Helen M. Barker
