Sunday morning
Dear me! If you like
I offer my bedchamber to Betty and
Fredy's room to A. There, may
I arrange the beds and take out of my
chest the linen - but I pray only in
your presence, to make breakfast
- matter at dinner? To-morrow
I shall visit you now again to
give you notice of my poor baby.
What an ugly Sunday to-day!
I embrace you - best man of
all! - Yours Mela.
