

March 21. 70

My dearest friend!

By this I'll give you thousand thanks for your amicable letter to which I shall answer from my next station, for public matters growing ill I prefer to approach nearer to sweet home; perhaps it is the best to return and to wait for better days.

I hope to see you very soon and in good spirits, let me be so with you, dearest!

With my best wishes for you
and yours, in great hurry
Your thankfull Louis
