July 2

Dear Madame. I have heard from Mrs Walters, of 20 Gudsleigh St., Tavistock Square London, W.C. whose name I sent you yesterday as having a boarding house, that she has one room to let at 2 guineas a week and will have another, smaller, vacant immediately, at £1. 11. 6. a week. This includes board of course.

If you think of going there will you write to her, & also let me know.

Dear Madam,

I do not know whether you have yet made any arrangement with either of the Boarding Houses which I named to you, but I write to say that we have friends in London who would be pleased to have you as their guest during the week of the Congress, July 11-16th.

If you would care to accept their invitation please let me know at once. ~~If you desire this.~~

Faithfully yours,

J. Forsyth
