Wunschblatt, Originalstichradierung von Prof. ALFRED COSSMANN, der hiezu schreibt: ... Das von der Hoffnung (in Form eines Ankers) getragene, strahlenentsendende Herz mit dem Spruche Rückerts: »Etwas wünschen und verlangen, etwas hoffen muß das Herz« trägt auf dem Mittelbalken die Devise: »Sei Dir selber treu.« Ferner kann jener, der sich die Mühe machen will, 52 verschiedene Wochengesichter des Jahres zählen, wovon die beiden oberen Gruppen um die Zeichen des Tages und der Nacht angeordnet sind. Alles wird außerdem von 52 am Herzensrande angebrachten Augen, die als jene der Wochen den Beschauer anblicken, eingesäumt, worüber der umlaufende Spruch: »52 Augensterne säumen jener Köpfe Schar, die im Zwang der Herz-Kaverne zählt an Wochen jedes Jahr« unterrichtet ...
