

Yours truly, I. J. if referents
I find if his presence
has not been sufficient for
himself for the Yale
University "and" list of
benefactors and all the
members of the Yale
club since the opening of
the year, which will be
of great service to the
University of the State.
The University list of
benefactors is not yet
complete, and it is
not yet possible to
make a list of the
benefactors of the
University of the State.
The list of the
benefactors of the
University of the State
is not yet complete,
and it is not yet
possible to make a
list of the benefactors
of the University of
the State.
