GENTLEMEN,

TESTIMONIAL.

3, OAKLEY SQUARE, LONDON, N.W., Dec, 19th, 1889.

I have to thank you for the excellent manner in which you have done the repairs and alterations to my four-stringed Double Bass. I watched the work almost day by day, and was extremely pleased by the clever and artistic workmanship displayed. The result is most satisfactory. I must add that I was no less pleased with the admirable manner in which you converted a three to a four-string Bass; and also with the extensive repairs effected in my two other Double Basses.

With thanks, I am, yours sincerely,

JOHN REYNOLDS.
