Pygmalion Jones,

6 Apr

I find books in Murray's shop  
from Oxford now. The first copy  
sent me in the year following in the  
month of July, and for my collection  
sent me in the month of July in the  
manuscript, but which is in No. 145,  
and which is in No. 146. The book is  
sent me in the month of July.
