My dearest Auguste,
As you
did not answer
my last letter
I feel uneasy
about you. So
will you kindly
write at once to

me. Have you
heard any news
of darling Fanny
or did her tutor
hear from her
You are very sad
about her.

My thoughts
are very often
with you dear
Augustine and
I wish I could

See you and
speak to you.
In my next
letter I will
send you a
little card printed
by myself.
Accept my
warm love
and please
answer this letter

very soon.

I hope all your
family are well.

Remember

you very sincerely yours

Lophy
