

Bathesda
April 19th 1884

My dearest Auguste,
Many thanks
for your welcome
letter but I am
so sorry you have
no news from
dearest Eva.
My sister is not
in the same
company as Eva

and so I cannot
learn anything
about her.

Now is now you
know in England
and her address is
Upton Hall
Birkenhead
Cheshire

Write again to her
but never mention
anything about
me. I shall like

in the same family
and have 4 children
to teach, English,
French, music,
singing, drawing
and fancy and
plain work. How
many have you
to teach next
August and have
you any free time?
I shall have vacation
in July and August
but the family I

even with heavy
travel but if I
am some time
rich I will go
to see you to Lyons.
I live in Ireland
and Ashbourne
the post town.

Do you think you
will again get
your photo for I
would like to have
another from you.
Will you kindly
insert this copy
soon and believe me
Y^r fond friend
Sophy
