My dearest Augusta,  
Allow  
me the pleasure  
of writing to wish  
you and every  
Merry Friends and  
many happy returns  
of the New Year

Did you receive  
my last letter?  
Have you heard  
from dear old Rosa  
since. I often feel  
very sad when I  
think of never  
again hearing from  
her or seeing her.  
Have you any  
vacation at Christmas  
or Easter. When  
I get a nice photograph

of myself I will  
send it to you  
I wish I could  
Augusta that you  
and I were living  
near each other for  
I think we would  
be great friends  
Is there any chance  
of your coming to  
England or Ireland  
Again wishing you  
every success  
and with I send

Love hoping very  
soon to hear from

you  
You believe me -

Your sincere friend

Lophie.
